JATC

There will be an OSHA 30 refresher course at the JATC sometime in April. This is an 8 hour class. It will be on Monday and Wednesday nights for 4 hours each night.

At the end, all participants will receive an OSHA 30 refresher card issued by SMOHIT.

Your OSHA 30 card DOES NOT EXPIRE according to OSHA but many General Contractors in our area are starting to require that you have an OSHA card or Refresher card within the last 5 years. Anyone who has taken the OSHA 30 class at least 4 years ago should attend. Please call the JATC office to sign up.

We will be having this OSHA 30 refresher class every year at about this same time.

Spring is here

NOTICE

Effective April 1st JAS has merged and is now known as Southwest Service Administrators. Your current Rx card will remain in effect with no changes.

We encourage all participants to go onto their website www.ssatpa.com where you can track your claims, access PPO's, Healthcare Bluebook and Simply Wise.

St. Patty's Day Report

We would like to thank the members of Local 312 who showed their union pride by marching in the Salt Lake City's Annual St. Patrick's Day Parade. With hundreds of spectators lining the sidewalks and streets, it was easy to wave and acknowledge the support we received. As usual during this event, it is so gratifying to hear spectators yell "GO UNIONS" or "YEAH, SHEET METAL WORKERS". It renews ones faith that the common person in today's society still understands what the Union Worker means to our City, State and Country. Once again, thank you for your support!

FREE MONEY & TOOL:

At the regular monthly union meeting held on March 16, 2017. *Richard Patten* was the lucky winner of the **\$100.00** cash prize.
