JATC

Journeyman welding classes are Monday and Wednesday nights from 5:00 to 9:00 PM. Anyone interested, please call the JATC office to sign up.

There will be an OSHA 30 refresher course at the JATC on April 17th & 19th. This is an 8 hour class. It will be on Monday and Wednesday nights for 4 hours each night. At the end, all participants will receive an OSHA 30 refresher card issued by SMOHIT.

Your OSHA 30 card DOES NOT EXPIRE according to OSHA but many General Contractors in our area are starting to require that you have an OSHA card or Refresher card within the last 5 years. Anyone who has taken the OSHA 30 class 4 or more years ago should attend. Please call the JATC office to sign up. We will be having this OSHA 30 refresher class every year at about this same time.

REMINDER

As per the CBA it is the workers responsibility to inform the Union Hall of any changes in employment and or layoffs. This helps keep your work history correct and up to date. It's important to also inform the Union Hall of any change in address or phone numbers. It's also the member's responsibility to update your information with JAS.

The officers and members of Local #312 wish to extend their deepest sympathy to the family and friends **Bruce Breerton**. Bruce passed away on February 17, 2017. He was a member of the Sheet Metal Workers' Union for many years. All who knew Bruce will surely miss him.
