THANK YOU!!!!

Thank you to all the members who came out to the Labor Day picnic this year. Your support was greatly appreciated! We had a great turn out this year and it keeps getting better every year.

Thank you to all who helped in making this year such a wonderful success

The officers and members of Local #312 wish to extend their deepest sympathy to the family and friends of **Richard Ovard**. Richard passed away on September 22, 2017. He was a member of the Sheet Metal Workers' Union for over 25 years. All who knew Richard will surely miss him.

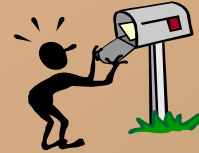

JATC

The new 2017-2018 Apprenticeship classes are starting in September. All Apprentices need to keep track of when their class starts and make sure they have tuition paid before the first day of school.

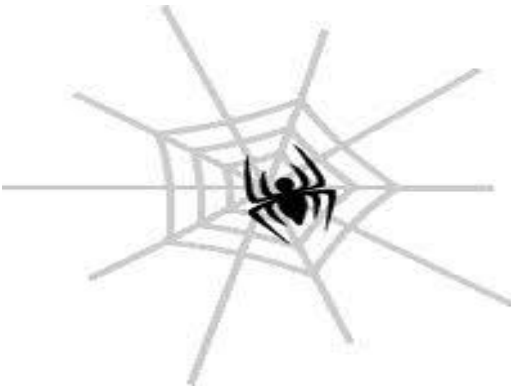

The JATC will also be starting a Journeyman welding class in September. Anyone interested in brushing up on their skills or getting some welding certifications should call the JATC office for more information.

MOVED????

Remember that if you have a change of address or phone number; please contact the Union Hall as soon as possible. Also, if you know of another member that is moving please remind them to contact us as well. We need your help to minimize our amount of returned mail that we have been getting.
