IMPORTANT TAX INFO

Due to the recent tax reform law signed in 2017 by President Trump, union dues and other unreimbursed work-related expenses **can no longer be deducted** as in past years, as a portion of your itemized deductions on your 2018 tax returns.

Unreimbursed work related expenses include: union dues, work clothes, uniforms, tools purchased to perform work, work related education expenses and work related travel (such as mileage driven for work), transportation and meal expenses.

This tax change is in effect for tax years 2018 through 2025.
